

## **End of 2022 Newsletter**

Good Evening to you all,

The Club will be closed on Sunday 25th December until and including Tuesday 27th December, then Sunday 1st January until and including Tuesday 3rd January 2023.

Opening hours 4.00pm until 7.00pm on those days Wednesday and including Saturday, except Saturday 31st December 4.00 pm to midnight, band and enjoyment New Years Eve. Our first Club Night will be Wednesday 18th January and the First Ladies Night is 1st February 2023, let's make this a profitable year for our Club with great support across the Bar and many new members. If we each introduce one new member every few months and they in turn come and enjoy the Club at least monthly that would be a huge help.

The latest re the NCC lease is we have a meeting with a full NCC councillors on this Wednesday pm, so hopefully this will see an end to this issue for a few years.

This Wednesday is the last Club Night and is a special night for all, so bring along your ladies, friends and enjoy a fun evening, also we have one more Ham Raffle to sell/ draw.

Some festive nibbles available.

That's it from me except to say The Executive, Rosanne and I wish you all a very relaxing time and much enjoyment over this Festive Season. Don't stay at home on your own on New Years Eve come to the Club and enjoy 'seeing in the New Year'.
